

WEEKLY NEWSLETTER

June 20th - June 24th

The fourth week of our summer session was absolutely magical! The Eagles learned all about the most magical company on earth during Disney Quest, some of the older learners got a taste of the stress of adulthood with Personal Finance Quest, and we had yet another fantastic beach day! The highlight of the week, though, was our graduation and Celebration of Heroes at our End of Year Party on Wednesday. We reflected on all of the hard work each and every Eagle showed throughout the year and celebrated their accomplishments. Also, one of our middle schoolers and one of our launchpadders graduated! Congratulations to everyone for a year's worth of hard work, none of us can wait to see where the next steps of their heroes' journeys will take them.

'riding' coasters at the most magical place on earth!

relaxing at the beach and catching some rays

sitting poolside at our Celebration of Heroes

DISNEY QUEST

The Eagles voted for it and received a magical mini-quest that explored many different elements of everything Disney! Every day of Quest we got into the Disney spirit by watching a couple of Mickey Mouse shorts from Disney+ and discussing a new Disney topic each day. Monday was spent exploring character creation and design in 2D and 3D. The Eagles did a great job recreating some iconic characters!

On Tuesday, we explored all the different companies that Disney owns and dove head first into everything National Geographic! Also, we ventured into the world of old-school, pen-and-paper animation and did a million Disney trivia questions.

Both Wednesday and Thursday were spent immersing ourselves in Disney with iconic movies! The Eagles elected to watch *Enchanted* and the animated version of *Mulan*, plus, we explored some of the Disney parks with simulations of their most popular rides and coasters!

a whole bunch of photos:

each of the Eagles was honored with a unique elephant figurine to represent their contributions to our community

growing rainbows!

open play and core skills fun!

Celebration of Heroes!

goofing around at the beach
